

# How to Order your Dress Form Sewing pattern

All the information you need to choose the correct pattern and order the pattern correctly.

## I. First choose the pattern that is best for your body.

Here are the different dress form pattern products:

1. The **\$24 Missy Fit** sewing pattern is to make a dress form that you stuff.  
This pattern uses **custom measurements**.  
This pattern is made with **negative ease** to account for stretching when the dress form is stuffed. If you try to put on the dress form, it will **NOT fit because it has negative ease**.  
This dress form is made with **woven fabric**.  
This Missy Fit pattern is for bodies with **less body fat**, so the form WILL NOT be so curvy.

2. The **\$24 Plus Size/Curvy** sewing pattern is to make a dress form that you stuff.  
This pattern uses **custom measurements**.  
This pattern is made with **negative ease** to account for stretching when the dress form is stuffed. If you try to put on the dress form, it will **NOT fit because it has negative ease**.  
This dress form is made with **woven fabric**.  
This Plus Size pattern is for bodies with **more body fat**, so the form WILL be curvy.

5. The **\$17 Woman's dress form COVER** sewing pattern is to make a COVER for a dress form that you already have. Add padding to your dress form to give it your shape and measurements, then put this dress form cover on top like a pillow case.

This pattern uses **custom measurements**.

This pattern is made with **no ease** so you can try it on to test the fit.

This dress form is made with **knit ponte fabric**. (Some people use woven fabric, which is ok if you add a zipper down the back seam so that the cover will fit on top of the dress form)

6. The **\$10 dress form arm add-on** sewing pattern is to make a dress form arm. This arm works well with other BootstrapFashion dress forms or another dress form you already have. When the pattern pieces are face up on the fabric, the arm will be a right arm. To make a left arm, turn the pattern pieces upside down on the fabric to make a mirror image. This pattern uses **custom measurements**. This pattern is made with **negative ease** to account for stretching when it is stuffed. This dress form is made with **woven fabric**.

### **III. Purchase the Pattern**

After you write your measurements, click the orange ADD TO CART button. Go to your cart and complete the purchase. PayPal is the only payment option, but you can use PayPal as a guest, you do not need to have a PayPal account.

Another alternative is that you can make payments through our BootstrapFashion Etsy shop. If you are paying for a Custom Measurement pattern, send us a message after you make the Etsy purchase. We will then manually give you store credit so you can order your custom sewing pattern with store credit.
